IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America,

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. — We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world. — He has refused his Assent to Laws, the most wholesome and necessary for the public good. — He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. — He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. — He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures. — He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. — He has refused for a long time after such dissolutions, to cause others to be elected, whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within. — He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners, refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. — He has obstructed the Administration of Justice by refusing his Assent to Laws for establishing Judiciary powers. — He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries. — He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people, and eat out their substance. — He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures. — He has affected to render the Military independent of, and superior to, the Civil power. — He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: — For quartering large bodies of armed troops among us: — For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: — For cutting off our Trade with all parts of the world: — For imposing Taxes on us without our Consent: — For depriving us in many cases, of the benefits of Trial by Jury: — For transporting us beyond Seas to be tried for pretended offences: — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: — For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments: — For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever. —

He has abdicated Government here, by declaring us out of his Protection and waging War against us. — He has plundered our seas, ravaged our Coasts, burnt our Towns, and destroyed the lives of our people. — He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. — He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. — He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people. Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends. —

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do in the Name, and by authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. — And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

Selectmen's Meeting

STATE MANDATE COSTLY

The Finance Committee, Fire Chief Paul Bradley and Selectmen William Hubbard and John DeCosta held a joint meeting concerning a $4,087 transfer of funds to cover the cost of paying about 30 firemen at the time they were attending first responders' school according to state dictates. The committee inquired of the Selectmen as to the authorization for this step which they consider to be a potentially dangerous financial

burden for the town, considering the rate of state dictated programs. Mr. Hubbard said the Board had not been consulted because if they had they would have notified the Finance Committee. He said that previously a precedent had been set in this pay for schooling in the police department but it was before he was on the Board of Selectmen, Hubbard stated Chief Bradley said that the Board of Fire Engineers had authorized the pay because the requirement for training is a condition for employment as set by the state. He said that several of the men had chosen not to take the course and had trimmed the size of the fire department personnel to the point where he felt it was more efficient and smoother running. He said that from now on any future men joining the fire department would have to take the first responders' course before joining. The decision to pay would not then be carried on and on.

The Finance Committee members were assured by the Selectmen that they are now meeting with all committees and boards to establish a line of communication and procedure that will eliminate the need for such transfers of funds and which would foresee any unusual extra demand on a budget so the Finance Committee could be warned. The Finance Committee members continued to express concern about the way state dictates are straining the finances of the town.

MOSQUITO SPRAY INEFFECTUAL

The town mosquito spray reportedly done 3 weeks ago has been the subject of a blizzard of complaints by town residents who have seen little result. The $3,000 helicopter spraying was the only authorized spray of the season. This past week, Thursday, Plymouth County sprayed by helicopter and the result was dramatically different as most residents can testify. Residents who have a problem may call the Town Hall and Plymouth County will be requested to spray by truck.

CONTRACT APPROVAL

The Division of Water Pollution Control has approved contract 1 which includes the force main, intercepter lines and collector sewers for areas of the town not now served and the contract for the pumping station to be build on the old railroad bed.

MATTAPOISETT GRANT

The Federal Grant in the amount of $1,742,913. has been approved according to the E.P.A. Engineering inspection service costs in the amount of an estimated $15,605, which was incurred after the official completion date of each contract are considered ineligible for grant inclusion at present.

DISCUSS VANDALISM

Selectmen conferred with Police Chief Duane Tuttle concerning the destruction of the extensive landscaping and resurfacing work at Ned's Point. The Selectmen asked the Chief how both the drinking problem and the vandalism could be controlled. Chief Tuttle said that the area is patrolled every 30 minutes by cruiser but he said that the highly visible

patrol is not the answer. He said that after July 1st further measures will be taken. The Selectmen asked if the exclusion of Ned's Point from the drinking ban was the cause of the damage. Selectman Hubbard said that he was opposed to allowing drinking at the Veterans' Park and would vote to ban drinking immediately if that would stop the problems there. The Chief said it was difficult to estimate how much of the destruction was due to the drinking. He indicated that it has been the policy of the department to be reasonable and friendly with the young drinkers to encourage them not to abuse the privilege He is of the opinion however that this approach has not been successful.

The Board of Selectmen will review the exclusion of the park from the drinking ban to see if they can now ban drinking. The by-law will be examined by Town Counsel Donald Fleming.

WANTS PARKING SPACE

Carol Ouellette of 16 Church Street, Mattapoisett, across from Al's Barber Shop, complained to Selectmen about the parking ban adjacent to her house. She said that she wants to park her car next to her home all night where she can keep an eye on it. Selectman Hubbard promised to have the Traffic Survey Committee look into the matter and also told her that she could initiate an article for the warrant if she desired.

who stated that, in the Friday June 10 storm their car broke down 6 miles from Mattapoisett on 195. They said that they were towed into DeCoffe's Gulf Station and were treated to the utmost courtesy by the mechanic and went to the Deli across the street where the owner graciously allowed them to wait and spoke of Mattapoisett with great pride.

The letter ended, "In this day and age when we have come to mistrust almost everyone, we felt a real lift to meet such honest, considerate people."

PARKING ATTENDANT

William Harris was appointed parking attendant for Friday, Saturday and Sunday at the Town Wharf to park trailers.

LIQUOR CLOSING REVIEW

Selectmen reviewed the 1 A.M. closing hour for establishments serving alcoholic beverages following a recent request. Selectman John DeCosta said that he had conferred with the Chief of Police, examined the records and talked to Sargent Moran and made a decision against an extension. He voted to retain the 1 A.M. closing. Selectman Hubbard said that he remains firmly in favor of 1 A.M. and voted to keep that closing hour.

HARBOR VIOLATORS WILL BE TAGGED

Selectmen have received and turned over violation tickets for water offenses to Harbor Master Karl Collyer. These tickets will be

How far away should your bank be?
That's easy.
As far as ours.

Maybe you choose a bank because it's nearer your job or home. But we've got a feeling that distance wouldn't mean a thing once you discovered what our bank has to offer.

You can reach us quickly from almost any direction. And probably faster than you can get to where you're banking now.

And when you get where we are, you'll find lots of easy parking, ready access to inside banking via our new red brick safety walks.

Or, if you like the ease of drive-up banking or the privacy of doing your banking business fast with an automatic teller, we have those, too.

But most important, we feel, is our competent and courteous banking professionals who are ready to treat you like the important person you are.

C'mon over, now, to our bank.

OPEN FRIDAY EVENINGS

Mr. St. Jacques not only builds fine furniture, he does his own reverse paintings that appear on his clocks and mirrors - he molds the relief carvings and is an expert gold leaf specialist and carver.

He chooses to build classic design furniture and has a great love for miniatures in child size. These miniatures were used as cabinet makers' samples in olden times and are very sought after today. He has a great love of wood and uses tiger maple often to create these museum quality pieces.

It is with great pleasure that the Mattapoisett Historical Museum will feature as a special exhibit some fine examples of Mr. St. Jacques' work for the month of July.

Council on Aging

The Mattapoisett Council on Aging sponsored a trip to the Heritage Plantation in Sandwich last Thursday. The large bus was not full, but all the Seniors enjoyed the well kept-up Plantation on a beautiful day. Many rode the Carousel and all admired the almost mint perfect condition of the antique autos of yesteryear, the old grist mill, the military museum and finally the arts and crafts museum with its Currier and Ives lithographs and extensive exhibit of old and rare hand tools. The trip home was by way of Falmouth on a day that the roads were not too crowded. This was our last large bus trip until September.

Chairman Paul Kelley reported a very successful visit to Martha's Vineyard with the mini-bus, taking many Seniors who had not been on a trip before. A trip to Cape Cod is planned for Thursday, June 30th. This will probably be our last visit to the Cape until fall because of the heavy summer traffic.

The July trips by mini-bus are as follows: July 7 - Roger Williams Park in Providence (picnic-take your lunch); July 14 - no trip scheduled; July 21 - Tremont Nail Factory in Wareham and then to a Chicken Barbecue at Edaville (special reduced price for admission and dinner); July 28 - Cumberland Farms in Bridgewater.

Please remember that we will only take 13 seniors in the mini-bus and reservations must be made in time by calling the Town Hall and asking for the Council on Aging Mondays and Wednesdays from 10:00 to 12:00. Details

Little League Baseball

Monday, June 20th, began the 9th week of Little League baseball. In Mattapoisett, the Greens beat the Jets 4-2. Billy Haymaker was the winning pitcher and the batting strength came from David Hubbard with 3 hits and Brendan MacDonald with 2 hits. Hitting for the Jets were Mark Sanford and Gerald Lanagan. In Rochester the Browns played the Royals.

Tuesday, in a rain shortened game the Browns beat the Blues 2-0. In Rochester the Wanderers and Greens were tied when the game was called for rain and that game will be continued.

Wednesday the Wanderers played the Royals.

Thursday, after trailing 7-0 through 5 innings, the Blues scored 9 runs in the last 2 innings to defeat the Jets 9-8. Frank McKeone led the way with 2 doubles and a single, while Steve Baggarly had 4 hits. Steve's pitching in relief was the victor; Bruce Rocha also played well. Scott Jepson in his 4 innings of pitching hurled shut-out ball for the Jets.

A THANK YOU

We wish to thank the people of Mattapoisett for their thoughtful and many kindnesses during our recent bereavement.

ANNUAL MEETING

The annual meeting of the Mattapoisett Historical Society, Inc. was held on June 16th. Mrs. Samuel L. Spalding presided.

The election of officers for 1977-78 was held. The following slate was elected: Mrs. Luen M. Johnson, president; Mr. Donald T. Welch, vice president; Mrs. James Single, secretary; Mr. Arthur R. Knox, Jr., trustee; Mr. Winfield Jenney, trustee; Mrs. Bradford A. Hathaway, trustee; and Mrs. Albert Norlander, treasurer.

An informative program was presented by Mr. John K. Bullard of the Waterfront Historic Area League (WHALE). He explained the accomplishments and goals of this well-known New Bedford undertaking.

The museum will be opened for the summer on July 5th. Hours: 2-4 Tuesday through Saturday.

St. Philip's Services

The little Episcopal Church, St. Philip's, located on the Mattapoisett waterfront, near the bathing beach, opens its doors for summer services next Sunday and will continue through Labor Day. Worshippers in all faiths are welcome.

The Rev. Jeffrey P. Cave, former Canon of Washington Cathedral, Washington D.C., will conduct both the 8 o'clock service of Holy Communion and the 10 o'clock service of morning prayer which will also be followed by Celebration of the Sacrament, as is customary on the first Sunday of every month.

Visitors to Mattapoisett have enjoyed the summer privilege of worship at the small, distinguished St. Philip's Church since the late 1900's. To newcomers, attention is called to the St. Philip's Window in stained glass over the altar, and to the Rose Window, high in the wall over the entrance door.

New Bedford Holiday

New Bedford will "rediscover" itself this Fourth of July weekend when a replica of Columbus' "Santa Maria", complete with crew in 15th century dress, docks at one of the city's fishing piers.

Radio station WNBH is sponsoring the four-day program (July 1-4) which will include a crafts fair, fireworks, a moonlight cruise, harbor boat rides and an open air market.

Visitors can tour the "Santa Maria" and enjoy a close-up view of New Bedford's fishing fleet as well as fresh New Bedford seafood.

"Freedom Jam", a family fare entertainment group, will be giving matinee and evening performances during the weekend in the waterfront area.

Proceeds from the New Bedford celebration will be given over to a number of city interests; including WHALE (Waterfront Historic Area League) and New Bedford Seafood Heritage, Inc. which promotes the city's fishing industry through its annual Seafood Festival and Blessing of the Fleet.

Village Players

TO OPEN 2nd SEASON

On Tuesday, July 5th, the Village Players at the Marion Art Center will open their second season with a spirited and tuneful musical entertainment entitled "An Evening On Broadway". Rather than concentrate on any one composer-lyricist, the production will include some of the great Broadway hits of Steven Sondheim, Jules Styne, Leonard Bernstein, and others such as the great Noel Coward. Shows such as "Gypsy", "Company", "The Girl Who Came to Dinner", "West Side Story", "A Little Night Music", "Bubbling Brown Sugar", "Follies", "Cabaret", and others will all be represented. The cast, composed of eight highly talented musicians and vocalists, will sing and dance their way through two hours of tunes which are sure to bring back memories of some of America's most delightful musical comedies. Those who have never had the opportunity to hear some of these songs are in for a rare treat. So, come on over and relax in the quaint atmosphere of the Marion Art Center theatre while watching and listening to some of the most captivating songs that Broadway has ever had to offer.

ON STAGE! THE CAST OF THE VILLAGE PLAYERS PRESENTS "AN EVENING ON BROADWAY", A POTPOURRI OF AMERICAN MUSICAL COMEDY.

Old Photos?

MATTAPOISETT HISTORICAL SOCIETY

The Mattapoisett Historical Society Museum plans to feature as one of its special exhibits this summer season a display of old pictures of people and places.

We are looking for pictures of people here in Mattapoisett that you may know or may not know who they are. We will display them and ask all viewers to identify those who are unknown. The same would pertain to pictures of places.

This is a great way to record old photos and identify them; and we all love to look at pictures of people and places.

Dig in your attic and if you find some of these pictures contact Bea Johnson (758-2510) or Priscilla Hathaway (758-3579).

Arts & Crafts Fair

The Middleboro Arts & Crafts Association (M.A.C.A.) is pleased to announce the coming of their summer craft fair called "Down by the 'Oliver Mill' Stream", to be held Saturday, August 20, from 11:00 A.M. to dusk and Sunday, August 21, from 1:00 P.M. to dusk at the beautiful Oliver Mill Park, Route 44, Middleboro, across from the K.O.A. camping grounds (rain dates - August 27-28).

This event is an attempt on the part of M.A.C.A. to bring a high quality show of interest and variety to the public free of charge.

Along with the crafts people demonstrating and selling their wares at their sales booths, association artists will be painting. Barbara Whitteberry of Middleboro will be entertaining the children with her puppet shows and for those interested in the history of the park, hopefully, a representative of the Historical Society will be on hand to answer any and all questions.

Crafts people interested in entry information may write M.A.C.A., Post Office Box 126, Middleboro, MA. 02346 now through June 30th or call Eleanor Marshall, chairman, 947-9285.

ROCHESTER MINI-COURSES

For four Fridays in May, teachers and townspeople of Rochester combined their special talents and interests to provide an enrichment program at the Memorial School. Children chose the courses they wanted to take, and spent the ensuing four Fridays at that interest. The mini-course program was recently culminated at the school Spring Art Display on June 16 and 17. A display of the products made during the courses from Holly Hobbie Bonnets to sand paintings were shown in the foyer showcase. The display was arranged by Helen Duryea,

OLD IRONSIDES TO FIRE NATIONAL SALUTE ON JULY FOURTH

The legendary USS Constitution will add a unique contribution to the celebration of the nation's birthday by firing the NATIONAL INDEPENDENCE DAY 21-GUN SALUTE at noon in Boston Harbor on the Fourth of July. This unprecedented observance will occur during Old Ironsides' annual Turnaround Cruise, conducted by the Navy eavy year to insure even weathering of her hull.

The theme of this year's Turnaround is a salute to the Golden Age. Senior citizens nominated by the City of Boston and the Commonwealth of Massachusetts, have been invited aboard Constitution as honored guests of the Navy. Each of these Senior Sailors has made a significant contribution to his or her community as a senior citizen.

The Turnaround will coincide with the City's Fourth of July celebration, including the Walk to the Sea. Representing Secretary of the Navy W. Graham Clayor, Jr. aborad Old Ironsides will be Deputy Assistant Secretary of the Navy Robert T. Connor. Rear Admiral Gerald E. Thomas, USN, a Bay State native will represent Admiral James L. Holloway III, Chief of Naval Operations.

We are now featuring a beautiful new line of invitations and announcements
